

**Advanced Computing Training Program
Application Form**

(Please note that all information fields are mandatory)

I. Candidate Information

Name:	
Nationality:	
Address:	
Phone:	
Email:	

II. Academic Information

Master Degree Graduation Year: _____
Integrated Master Degree Graduation Year: _____
Ph. D. Degree Graduation Year: _____
Currently enrolled in a Ph. D. Program

Current Institution Affiliation (if applicable): _____

Position: _____

III. Background Profile

Please indicate your ICT Background

Managing, running or optimizing high performance / high throughput computing systems
Developing or applying high performance / high throughput techniques to domain specific problems

Scientific Domain: _____

(Please refer to the list of scientific areas set by FCT available [here](#))

IV. Preferred academia semester and travel dates

Please choose your preferred academia semester and indicate your planned date of arrival and departure. Travel dates should be as close as possible to the dates of the academic semester you are applying to.

Fall 2018*
Spring 2019*
Summer 2019*
Fall 2019*

*Specific dates should be confirmed in this [link](#).

From: _____ **To:** _____

V. Areas of interest

Please indicate the areas you are interested in according to your skills and interests.

Advanced Computing Systems
High-Performance Computing
Life Sciences
Advance Computing Interfaces
Data Intensive Computing
Visualization

VI. Motivation

Keywords:

(Please prepare a one-page write-up that describes your goals, explain why you are a good candidate and why you should be selected to participate in this training program and what impact you expect to bring to your institution, or your future career, once returned to Portugal)

VII. Recommendation Letter

At least one recommendation letter is required. The recommendation should be made by someone who knows your work and is able to comment specifically on your performance, particularly on your abilities and potential in the field of study related to your research interest.

Recommendation Letter

Name:	
Position:	
Institution:	
Department (if applicable)	
E-mail:	

Recommendation Letter 2 (not mandatory)

Name:	
Position:	
Institution:	
Department (if applicable)	
E-mail:	

VIII. Additional Documents:

- Short Curriculum Vitae (C.V.);
- Leave of absence (if applicable);
- Recommendation letter(s).

Signature

The application form and the additional documents should be sent by email to leadership@utaustinportugal.org
If you have additional questions, please send an email to info@utaustinportugal.org
