ZON INTENSIVE SCRIPT DEVELOPMENT LAB AT UT AUSTIN

ZON Intensive Script Development Lab

From June 3 through July 30, the Department of Radio-TV-Film at UT will host the ZON Intensive Script Development Lab. Sponsored by [ZON](#), this program will bring ten students from selected Portuguese universities to Austin to

participate in an advanced sequence of courses in film scriptwriting, direction and production. The ZON intensive will enable students to work with experienced faculty in Austin, utilizing the Department of Radio-TV-Film's state-of-the-art production facilities. [[More](#)]

International School on Digital Transformation: July 25-30 in Porto

The second International School on Digital Transformation will take place July 25-30, 2010 in Porto, Portugal. The International School on Digital Transformation is an intensive six-day residential program, conducted in English and bringing together emerging and established scholars and professionals from a variety of countries. During the week, innovators in digital communications will serve as teachers and mentors, presenting current projects and engaging in discussion. Presenters and students will be regarded as peers during the School. [Applications](#) are currently open for those wishing to participate as students. [[More](#)]

Contemporary Portuguese Cinema at Austin Film Society

The Austin Film Society is showcasing contemporary Portuguese films as part of their ongoing Essential Cinema series. The series showcases beloved Portuguese director Manoel de Oliveira as well as three younger filmmakers. Featured films include [Voyage to the Beginning of the World](#), [Aguas Mil](#), [Our Beloved Month of August](#), [Noite Escura](#), and [A Talking Picture](#). Screenings run from April 13 through May 11. Tickets are \$6 for general admission and free for AFS members. [[More](#)]
